Ukraine

Your excellency President Zelenskyy,

Ref: Iranian Military Drones.

The Association of Iranian Human Rights and Allies salutes and commends the bravery and resolve of Ukraine and her brave resourceful children in their struggle and fight against a Russian dictatorship that has launched an illegal and unjustified war.

The Islamic Republic has justified this unlawful war by backing Putin's Russia as well as supplying Moscow with military drones and technicians. These drones have now caused damage to the Ukrainian infrastructure and killed many innocent civilians.

The supply of drones to Russia is in breach of United Nations resolution and sanction and their use by the Russian forces has brought untold suffering to many Ukrainians.

Mr. President, you have direct contact and a good working relationship with the leaders of the free world. As a Human Rights Association, we implore you to apply maximum pressure on your allies to hold the Islamic Republic to account and ensure the regime in Tehran is brought to heel with appropriate sanctions.

Your government is aware that the Iranian people have risen against the brutal dictators in Iran, and these demonstrations have entered their 5th week. The Islamic Republic security forces have mercilessly killed and raped many unarmed protestors.

The Iranian diaspora marched on Downing Street in London as a sign of solidarity with the freedom movement in Iran. The Iranians were greeted by Ukrainians who were also protesting against the war and Russian aggression. The Ukrainians reminded us that victory is possible if we unite and they chanted '*Together, we will win!*'

In the spirit of togetherness, to protect lives, and to safeguard Human Rights, we kindly request that your government applies maximum pressure on your allies regarding the unacceptable involvement of the Islamic Republic in the Russian war effort.

The Association of Iranian Human Rights and Allies hopes that on our day of freedom, we will reciprocate your kindness, humanity, and civility.

Together, we will win!
